2023 FLORAL SELECTIONS

Annually, Highland Memory Gardens offers an opportunity for placement of silk florals at the cemetery in remembrance of your loved ones for the late spring and summer decorating season. You may choose to have a picture of the floral placement sent to you. If your loved one's memorial does not have a bronze vase, a temporary plastic vase will be provided. In keeping with cemetery policy, flowers in temporary vases are removed one week after Memorial Day. Flowers in permanent bronze vases will remain to beautify our gardens until fall clean up on **October 2, 2023**. Every effort will be made to have the flowers placed on the grave of your loved one by our staff by **Sunday, May 12, 2023**. ***Beginning May 1, 2023, floral bouquets will be available in the office for purchase on a cash and carry basis.***

Due to problems regarding missing and/or stolen flowers, the cemetery makes the following disclaimer to be read and agreed with before you order.

CEMETERY FLORAL PLACEMENT DISCLAIMER

- The cemetery's liability for the bouquet ends at the time of placement.
- The cemetery will not remove bouquets placed in permanent vases prior to the October clean up. Bouquets placed in temporary plastic vases will be removed by cemetery personnel one week after the observance of Memorial Day.
- Cemetery personnel verify and document placement of the desired bouquet at the grave of the loved one for whom it is purchased.
- After the bouquet is placed at the grave, should the bouquet be reported missing or the vase found inverted into the ground vase container, the cemetery is not liable to replace the bouquet.
